(Model 6277), EASY TALK BLOOD GLUCOSE TEST STRIPS

**Model number:** 6277

Dear Mr. Girgis:

It is our determination that the Medicare (HCPCS) codes to use to bill the four Durable Medical Equipment Medicare Administrative Contractors (DME MACs) for the above listed products are:

E2100 - BLOOD GLUCOSE MONITOR WITH INTEGRATED VOICE  
SYNTHESIZER

A4253 - BLOOD GLUCOSE TEST OR REAGENT STRIPS FOR HOME BLOOD  
GLUCOSE MONITOR, PER 50 STRIPS

On the application it stated you felt E6070 was the code that best described your product. HCPCS E6070 is not a valid HCPCS code.

This decision applies to the application that was received on April 26, 2010. If information submitted in that application has changed or were to change, it could impact our decision. Therefore, a new application would need to be submitted for HCPCS coding verification. This coding decision will be available within ten (10) working days on the Durable Medical Equipment Coding System (DMECS), which is located on the PDAC web site, [www.dmepdac.com](http://www.dmepdac.com). Please take the time to verify that this coding decision is correctly reflected in DMECS.

The assignment of a HCPCS code to this/these product(s) is not an approval or endorsement of the products by Medicare or Noridian Administrative Services, LLC; nor does it imply or guarantee claim reimbursement or coverage. If you have questions about claim coverage or reimbursement, please contact the DME MAC for your jurisdiction.

If you have any questions, please contact the PDAC Contact Center at the address listed above or by telephone at (877) 735-1326. The Contact Center is open Monday through Friday from 8:30 a.m. to 4 p.m. CT.
